

Swim School General Information

DIAPERS- Children who are not yet potty trained must wear a disposable swim diaper. Plastic training pants or regular diapers are not allowed. Diapers as well as goggles are sold at the pool.

ATTENDANCE - We will not offer any make-ups, refunds, or credits for student absences.

Here is what a parent had to say about our Swim School

I would recommend this program for everyone from the beginner to the more advanced swimmers. We will be attending more sessions as my daughter grows as a swimmer and a person through this wonderful program.

Starfish Swim School

- Winter/Spring 2017 -

Starfish Swim School

Starfish Swim School® for Preschoolers and Youth (Ages 3 - 12)

Designed to meet the needs of children ages 3 to 12, this course will develop a high comfort level in the water and a readiness to swim, and for those children who are developmentally ready, it will teach functional swim skills. This class approaches teaching swimming through creative, fun activities in the water. Students work toward developing the five competencies and progress toward achieving the benchmarks at their own pace in a small-group setting.

All swimmers will be swim tested their first day of class to determine the appropriate color level to begin. Each session includes six 45 minute lessons. Swimmers will advance over the course of the session when they demonstrate the skills necessary to make the next step in the progression.

Lessons are held at the
 Westside Aquatic Complex
 2700 West Blue Ridge Drive, Greenville SC
