TRAILS

The Natural Trail (orange) extends from the tree line above the playground all the way to the Reedy River near the shoals. This 1.5 mile trail is marked with mile posts every 1/10th of a mile and is documented in the Greenville County Sheriff's Office E-911 system in case you need emergency assistance. There are also 3 short connector trails and maps located at several intersections to help you find your way.

The Forest Trail (green) has tree identification markers along this 1/2 mile paved trail. How many can you find?

Please pack out all trash. Thank you for helping keep Cedar Falls and the Reedy River clean!
