

Scholarship Guidelines and Application

Out of School Time Programs

School Year 2020-2021

All prospective participants with financial needs are eligible to apply for assistance. Greenville County Rec cannot guarantee that every request will be honored. Scholarships are based on the financial need of the family and there are a limited number available.

Scholarship Guidelines

1. Scholarships are awarded on a first come, first served basis to eligible participants registered in the program (first week participation must be paid with submission of the application).
2. Scholarships are available for the program fee only. **Other expenses the participant may incur are not covered by scholarships.** FY21: An awarded scholarship will cover \$8.00 off the weekly program fee.
3. You must meet **both** of the following scholarship qualifications in order to apply for assistance.
 - The participant and parent and/or legal guardian must be residents of Greenville County (proof of residency may be required).
 - Documentation of financial need is required through one of the following:
 - I. Free/reduced lunch award letter for current school year listing the participant's name (this will not be considered valid documentation if the entire school qualifies for free or reduced lunch)
 - II. Current Medicaid documents for the child(ren) in the household (does **not** include the actual card unless dated)
 - III. Current TANF/EBT documents for the primary guardian or child
4. The scholarship application must be completed in full and appropriate documentation must be included. A complete application submission includes: application, supporting documentation, program registration form, and waiver(s). **Incomplete submissions will not be considered.**
5. If your request is granted, you will be notified by the Manager as to the scholarship approval and remaining balance.
6. If you leave the program with prolonged absences without notice or cause, your scholarship may be revoked.
