

March 15, 2021

Dear Spearhead Family,

It was about 10 months ago now that I wrote you about Summer 2020. Now, one of the most significant dates on the Spearhead calendar is quickly approaching – March 1 when we normally open Camper Applications.

We hear from more and more camper families asking about the plans for the summer camp season as we get closer to March. While we would love nothing more than to tell you that Camper Applications will be made available as usual, we have concluded that the health crisis simply will not allow us to safely provide a normal eight-week summer camp season this summer.

So if the summer camp season will not be a normal eight-week season what does the Summer 2021 season look like? We are working on some possible program opportunities so be sure to watch your email, [our website](#), and the [Camp Spearhead Facebook page](#).

Camp Spearhead is not going anywhere! We hope the video series has been some help to your camper over the past months but we recognize the limits of providing our mission in a digital format rather than in-person. We are more than ready to fill Camp with campers again – what's a camp without campers! We will be together again at Camp one day and we can't wait for that day.

Hopefully,

Randy Murr
Director
