You (or your representative) will also be required to sign the medications in and out daily or weekly. - **IMPORTANT:** The staff will release a child to those listed on your registration information. If the sign out staff does not recognize you, **a photo ID will be required** before a child is released into your custody. It is helpful to **ALWAYS have your ID** with you when picking up your child in case a substitute counselor has had to come in at some point during the day. - **Pick Up Changes:** If you would like someone not listed on your registration information to pick up your child, you must **contact your Center Manager (texts are not acceptable)** or send a written note with your child stating who will be picking him/her up and a contact number. **This person will be required to show his/her ID.**
- If your child is allowed to walk to and from camp, the parent/guardian must send a written note giving permission for your child to walk to and from home; the note should also state what time that the child should arrive daily. This child will not be allowed to come and go from camp during the camp program. Keep in mind the field trip and waterpark schedule when allowing your child to walk. Any child under the age of 8 will not be allowed to do this unless accompanied by an older sibling. Walkers will be signed out by staff and released to walk home at 5:30 PM each day.
- **Late Pick-Up**
 - If you arrive after 6:00 PM when the program has ended for the day, **a \$1.00 per minute late fee** is charged per household which must be paid before your child can return to the camp the next day. OTHER IMPORTANT STUFF!

Wear a Smile, Comfortable Clothes, Sneakers (closed toed shoes), and Sunscreen EVERYDAY!

WE CAN'T STRESS ENOUGH THE IMPORTANCE OF SUNSCREEN AND HYDRATION!

We highly recommend and encourage waterproof/sweatproof sunscreen **SPRAY (not lotion)** with at least an SPF of 50. Please help us instruct and remind your child about the importance of applying sunscreen. Please apply before you leave for camp each day due to outside activities. The Counselors will remind campers about reapplying before outdoor activities. We will use the buddy system (if needed) when applying **SPRAY** sunscreen.

We have water fountains at all locations; however, please feel free to send extra water DAILY! Staff will provide water breaks throughout the day; however, **PLEASE HELP REMIND YOUR CHILD ABOUT STAYING HYDRATED THROUGHOUT THE DAY.**

LUNCH AND AFTERNOON SNACK

Greenville County Rec will provide daily lunch and an afternoon snack to all participants. Greenville County Rec is a partner agency of Livewell Greenville, "Making the Healthy Choice, the Easy Choice." Our snacks and lunch items will be nutritious in content and value. Campers should eat a morning snack or breakfast each day before attending camp.

If you choose to send your own snacks or meals, please send appropriate snacks and drinks: fruit, granola bars, string cheese, carrots & dip, sandwiches, etc. If your child brings his/her own food, please pack it in a small cooler with your child's name on it (no glass containers). If you have more than one child attending camp, we **highly recommend** that each child have his/her own cooler for lunch, drinks, and/or snacks. These items should **not** require the use of refrigeration or a microwave. **TIP:** Freeze water bottles to use as ice packs in the coolers and your child can drink it later in the day!

PERSONAL BELONGINGS

Greenville County Rec **will not** be held accountable for valuables such as game systems, personal electronic devices, jewelry, excess money, etc. that are brought to camp. **CELL PHONES OR SMART WATCHES ARE NOT PERMITTED AT CAMP.
