SUMMER CAMP HOUSE RULES AND DISCIPLINARY POLICIES

House Rules

In order for everyone to have a safe and enjoyable program experience, all campers must demonstrate good behavior and respect for others by following our general program house rules (specific listed house rules vary by site):

- Show Respect and Manners
- Focus on Your Activity
- Keep Your Area Clean
- Respect Personal Space and Belongings
- BE KIND

Campers are expected to adhere to our **CAMPER CODE OF CONDUCT** (see page #12). It is the responsibility of the parent or guardian to read the Camper's Code of Conduct and the Disciplinary Policy (below) to his/her child so that he or she will know the expectations regarding discipline while participating in the program. Staff will also review the information with campers.

FOR SAFETY, certain behaviors cannot be tolerated. These behaviors may result in a child's suspension or termination from the program. If such behaviors occur, parents will be notified and will be expected to support and work with the summer camp staff on a behavior plan if necessary.

Physical Assault or Verbal Threats

Greenville County Rec has a "Zero Tolerance" policy for physical violence, including direct, indirect, or veiled threats about violence, including gun violence or death threats. These offenses will receive an automatic three (3) day suspension. Staff will complete an incident report speaking to all parties involved. Under the direction of the Manager, District Manager and GCPRT Directors, additional discipline action may be taken, including and not limited to, suspension and/or termination of services.

Disruptive Behavior

Types of behavior which are disruptive and not conducive to a pleasant summer camp experience will not be tolerated.

These types of behavior include but are not limited to the following:

- Lack of respect for staff/counselors/campers (i.e. talking back, verbal and/or physical abuse)
- Pushing/Inappropriate touching (minimum one day suspension; length of suspension depends on the circumstances – see physical assault above)

- Damage to ANY property/equipment
- Stealing (minimum one day suspension)
- Profanity (including derogatory words such as shut up, dummy, stupid, “n” word, etc.)
- Throwing objects in anger with or without the intent to injure others (see physical assault above)
- Dishonesty
- Performing any illegal activities on County property, including but not limited to smoking, vaping, consuming alcohol, or other illegal substances, etc. Law enforcement may be involved depending on the circumstances.

Disciplinary Policy

As a general rule, program staff will take preventive actions with campers to keep them in the program. However, Greenville County Rec reserves the right to suspend or discharge any camper for disruptive behaviors, offensive language, and/or destruction of property using the following guidelines:

First Offense (except for mandatory “zero tolerance”)

- The camper will be spoken to in hopes that discussion alone will correct the problem.
- Parent/Guardians will be informed of any significant incidents.

Second Offense

- Camper will be spoken to again and removed from activities as our staff deems necessary.
- Camper may receive service projects such as cleaning tables or assisting with trash.
- Parents/Guardians will be contacted and updated on the child’s behavior (preferably via a conference with the child and staff).
- Child may be required to be picked up from the program.

Third Offense (Possible Suspension and/or Termination)

- If necessary, parent/guardian will be immediately notified of the child’s suspension or termination and will be required to pick up the suspended child as soon as possible.
- Parents/Guardians will be required to attend a conference with the child and staff when the child is picked up and sign a discipline report that states that he/she was informed of the disciplinary action taken.
- The length of the suspension will be determined by the Center Manager and communicated to the parent/guardian at the conference (or via formal written communication if parent does not attend the conference).

***Note: Any offenses committed by a camper may include written notification to parents and/or suspension or termination of participation in the program at any time depending on the incident.**

These are discipline guidelines. Circumstances or behaviors may arise that will call for our staff to determine, on an individual basis, which consequences should be implemented. During discussion with staff, other disciplinary procedures may be implemented as necessary. Such procedures will be communicated to the parent or guardian as soon as possible.

They will directly monitor/supervise/distribute the administration of medicines or testing procedures as required. Please send the medication only in its original container. Be sure that it is clearly labeled with your child's name on it, the name of the medicine and dosage. The parent must give the medication to a Manager each morning or at the beginning of the week. There is also a permissions form that you will need to complete that must be on file by the first day your child attends camp (please request a copy of the form from your site's Manager at registration). You (or your representative) will also be required to sign the medications in and out daily or weekly. A sharp box will be available if needed for needles, finger prickers, or other sharp items which are considered a biohazard. **(See Center Manager for more details)** If your child is injured and requires more than basic first aid, the following steps will be taken:

- Staff will call 911.
- Staff will notify parent/guardian.

Drop Off/Pick-Up Additional information

- **Come Inside:** At any time that you, the parent, want to come in to the center to talk to staff, please feel free to do so. The drop off/pick up procedures are intended to try to be efficient with your time but not to dismiss contact with you. **Please have your ID if needed.**
- **IMPORTANT:** The staff will release a child to those listed on your registration information. If the sign out staff does not recognize you, **a photo ID will be required** before a child is released into your custody. It is helpful to **ALWAYS have your ID** with you when picking up your child in case a substitute counselor has had to come in at some point during the day. If they don't know you, they will ask you to get your ID. Please do not get upset with our staff, they have been instructed to ask for ID from Greenville County Rec Management and it is for the safety of your child. **Please be patient.**
- **Pick Up Changes:** If you would like someone not listed on your registration information to pick up your child, you must **contact your Center Manager (texts are not acceptable)** or send a written note with your child stating who will be picking him/her up and a contact number. **This person will be required to show his/her ID.**
- If your child is allowed to walk to and from camp, the parent/guardian must send a written note giving permission for your child to walk to and from home; the note should also state what time that the child should arrive daily. This child will not be allowed to come and go from camp during the camp program. Keep in mind the field trip and waterpark schedule when allowing your child to walk. Any child under the age of 8 **will not be allowed** to do this unless accompanied by an older sibling. Walkers will be signed out by staff and released to walk home at 5:30 PM each day.
- **Late Pick-Up**
 - **BASED ON THE TIME/CLOCK KEPT AT CAMP,** if you arrive after 6:00 PM when the program has ended for the day, **a \$1.00 per minute late fee** is charged per household which must be paid before your child can return to the camp the next day. Consult with your Manager for instructions on how/where to pay the late fees. Remember, your child cannot return to camp until the fee has been satisfied.

 - Storage crates will be sanitized weekly.
- **Parents will need to provide a water bottle daily to be filled at approved water stations.**
- **Additional items allowed:**
 - Campers are also allowed to bring a book weekly to be kept in their storage crate.
 - Campers are also allowed to bring a blanket or towel for the week for meditation time.
 - Sunscreen (**in spray form** to be left in storage crate throughout summer) must be provided by parents on the first day of camp for use throughout the summer.
 - Campers are allowed a cap or hat for outdoor use.
- Lunch and afternoon snack will be provided by camp (please see Other Important Stuff Section below).

OTHER IMPORTANT STUFF!

Wear a Smile, T-shirt and Sneakers (closed toed shoes), and Sunscreen EVERYDAY!

The Camp T-shirt **must** be worn whenever we are away from camp for field trips (**please** put your child's name inside his/her shirt). **CAMPERS WILL GET DIRTY FROM OUTSIDE PLAY AND OTHER ACTIVITIES!** Please wear comfortable clothes and sneakers instead of sandals. We are very active and sneakers are safer. **No flip flops or slides please!**

Campers may be asked to bring swimsuits on non-waterpark field trips days; we may play water games at camp (boys' swimsuits must have a drawstring). On waterpark visit days, your child should come to camp wearing his/her bathing

suit underneath clothing. This speeds up the process of entering the waterpark. For additional sun protection, tight fitting swim shirts are helpful.

WE CAN'T STRESS ENOUGH THE IMPORTANCE OF SUNSCREEN AND HYDRATION! We highly recommend and encourage waterproof/sweatproof sunscreen **SPRAY (not lotion)** with at least an SPF of 50. Please help us instruct and remind your child about the importance of applying sunscreen. Please apply before you leave for camp each day due to outside activities. The Counselors will remind campers about reapplying before going to the waterpark and before and after water activities or outdoor activities. We will use the buddy system (if needed) when applying **SPRAY** sunscreen.

We have water fountains at all locations; however, please feel free to send extra water DAILY! Staff will provide water breaks throughout the day; however, **PLEASE HELP REMIND YOUR CHILD ABOUT STAYING HYDRATED THROUGHOUT THE DAY.**

LUNCH AND AFTERNOON SNACK

Greenville County Rec will provide daily lunch and an afternoon snack to all participants. Greenville County Rec is a partner agency of Livewell Greenville, "Making the Healthy Choice, the Easy Choice." Our snacks and lunch items will be nutritious in content and value. Campers should eat a morning snack or breakfast each day before attending camp.

If you choose to send your own snacks or meals, please send appropriate snacks and drinks: fruit, granola bars, string cheese, carrots & dip, sandwiches, etc. If your child brings his/her own food, please pack it in a small cooler with your child's name on it (no glass containers). If you have more than one child attending camp, we **highly recommend** that each child have his/her own cooler for lunch, drinks, and/or snacks. **These items should not require the use of refrigeration or a microwave.** **TIP:** Freeze water bottles to use as ice packs in the coolers and your child can drink it later in the day!

PERSONAL BELONGINGS

Greenville County Rec **will not** be held accountable for valuables such as game systems, personal electronic devices, jewelry, excess money, etc. that are brought to camp. **CELL PHONES OR SMART WATCHES ARE NOT PERMITTED AT CAMP. WE HIGHLY DISCOURAGE SENDING ANY OF THESE ITEMS TO CAMP** (except special programmatic days for Teens only). **PLEASE CHECK** your child's belongings (towels, bags, swimsuits, coolers, sunscreen, etc.) before and after camp each day.

Our amazing activities and events will be enough to keep the campers entertained throughout the day.

Program Operations

- Program Calendars
 - Community Center campers will receive a monthly Camper's Calendar, which includes activities, field trips, and times of events. **Please note:** programs/field trips are subject to change due to inclement weather or transportation problems. Message Boards will provide daily updates on any changes.
- Approved volunteers will be allowed to assist with specialized programs and activities.
- There may be camp-wide special events or collaboration events among two or more centers.
- Extra routine cleaning will occur as needed throughout the day.
